

## **CS100 Listening, Rental, and Presentation Policy**

### **I. In Store Showroom Listening Conditions:**

Listening to the amplifier takes place at the Media Hit store showroom in Gliwice. The store has a dedicated listening room and it's possible to conduct listening sessions with various speakers currently available in store.

To schedule a listening session, please contact us.

Listening is free of charge.

### **II. Amplifier Rental:**

We send a sample unit that offers the same sound quality and functionality as the retail amplifier, though it may show signs of use.

A deposit of 19,700 PLN must be made into our account.

The standard rental period is 14 days.

We offer a simplified and guaranteed return process.

We would greatly appreciate any feedback on the amplifier.

### **III. Our Visit and Amplifier Presentation by MOREaudio Representatives (Free of Charge):**

Our visit depends on the distance and the number of people interested in the presentation.

- 1-2 people – up to 1 hour drive from Tarnowskie Góry (Gliwice, Katowice, Częstochowa, Upper Silesian Metropolitan Area)
- 3-4 people – up to 2 hours drive from Tarnowskie Góry (Wrocław, Łódź, Kraków, Bielsko-Biała)
- 5-10 people – up to 4 hours drive from Tarnowskie Góry (Warsaw, Poznań, Lublin)
- More than 10 people – entire Poland

By interested persons, we mean adults interested in audio technology (music lovers, audiophiles). These can be your acquaintances, or, with your approval, we can invite potential interested parties through our channels.

We bring the amplifier and set it up within your system. Prior to our visit, we request your system specifications and music style preferences.

The meeting duration is typically 2-3 hours, though it can be adjusted as needed.

By agreeing to participate, you are expected to consent to photos being taken during the meeting, which may be used for our marketing activities.

By agreeing to participate, you are also expected to share your impressions of the amplifier during or after the meeting for marketing purposes.

#### **IV. Our Visit and Amplifier Presentation (Paid):**

We conduct paid amplifier presentations. However, the amount spent on the presentation is deducted from the amplifier's price if purchased.

We travel across Poland.

The fee is 300 PLN + 1.5 PLN per km from Tarnowskie Góry.

We bring the amplifier and set it up within your system. Prior to our visit, we request your system specifications.

The meeting duration is typically 2-3 hours, though it can be adjusted as needed.

No additional conditions.

#### **V. We Organize Open Listening Sessions Across Poland.**

We recommend liking our Facebook page (<https://www.facebook.com/MOREaudio.HiFi/>) for updates on such events. If you can organize such sessions or have ideas on where they can be held, feel free to contact us. We strive to reward any assistance.

#### **VI. Presentation Outside of Poland (EU)**

At MORE audio, we are interested in expanding our presence to reach a wider audience, including distributors and music enthusiasts. Please feel free to contact us to discuss further.
